VIRTUAL ART SHOW & SALE

Celebrate creativity that knows no barriers! Join us for the 57th annual celebration of abilities and fine art created exclusively by artists with disabilities from around the world. We will come together virtually, be inspired, uplifted and in awe of the distinctive creativity of our remarkable community of artists. We invite you to support the artists by purchasing their original pieces of artwork.

ARTIST INTERVIEWS

Join us for rare opportunities to see and hear from artists in their creative spaces. We will have videos featuring interviews with our guest artists about their lives and creative art-making processes. We are thrilled to introduce you to some of the amazing talent behind the art! And your purchases will directly support the artists. Mark your calendar today and tune in to be inspired.
